Get ready to see a horny hardcore layout with teen babe Lara soon!

Hot Teens & Hardcore

Dear Virgin Territory,

I recently got my Feb. '13 issue of 18eighteen magazine and overall it was a decent issue with a few disappointments. I realize it's early yet, but

we're two issues into 2013 and I haven't seen any creampies yet. I hope you have tons of them in store for us in the coming months. I thoroughly enjoyed seeing the magnificent Lara on the front cover of this issue, and it's always nice when an issue features teens engaged in anal sex.

The first teen cock tease was Nadia. She has a very beautiful face with a sexy smile, warm eyes, perfect tits and a hot ass. She sure looks like she knows how to suck and fuck a huge cock, and the cum shot on her face was just perfect and the way I love them. Abby was next and it was so good to see her again so soon, considering she was just in the Holiday '12 issue. While her tits are just a bit too big for my liking, Abby is one

of my perfect dream girls in every other way. I love her beautiful blonde hair. incredible smile and eyes, amazing, little pussy and that sweet ass. I hope we see her in hardcore soon

because I guarantee you I will ruin that issue with the amount of cum I'll unload all over her layout.

Next up was tiny tramp Bella and her whole layout was steaming hot. The picture of her ass and twat on the top of page 37 was a nice tease. I absolutely loved the pictures of her with her finger in her asshole, but of course a dick would have looked much better. My favorite picture of Bella was on page 41. Look at that ripe, delicious pussy and her finger inside her. What I wouldn't do to eat her out and have her cream my face. Little slut Laura was next and she was by far my favorite teen in this issue. There is nothing about her that isn't perfect. When I got to her layout, already horny, pre-cum began oozing out of my cock head. Her picture on page 44 left did it for me. Her body is

incredible and that smile could melt ice. Her tits are dynamite and she has a perfect bald, pink, little pussy, and I love seeing her with her fingers buried inside it. Her asshole looks so cute and tasty all puckered up, and that mouth looks like it would work wonders on a cock, as would her other two outstanding holes. Her masterpiece centerfold sent me over the edge, and I blew one of my biggest loads of cum ever. That centerfold should be hanging in every museum. It is a fucking work of art. I hope you will please tell Lara this. Please! Also, and for the love of everything good, please tell me this little hottie does hardcore! Could you imagine how amazing she'd look full of cum?

Lexee's hardcore layout was next and it was another beauty. She is a perfect, little cock-sucker and cockrider, and the pop shot all over her face was just what the doctor would order for any impotent man. Now that is the high quality cum shots we readers have come to expect and love. That was banging and you need to please include one of these in each

issue. Newbie cutie Cara was next. She has such seductive eyes, a bald twat and a killer ass. I would love to

Abby will

make you

lose your

stare at her asshole as she rides my dick in reverse cowgirl. Her tanlines were a nice touch and you don't often see that. This is one way you can tell you folks at

breath (and your cum). 18eighteen don't often airbrush your teens, keeping them in their natural beauty. I loved Cara's spread, pink sex on page 75. It looks so tight. Last was Mandy's hard-

core layout (another issue with three of them!), and it was yet another beauty. She is another champion cock-sucker, and I love that she does anal. Her pictures on pages 94 and 96 where she is getting her starfish stretched were all-star. The cum shot all over her tongue had me cumming a second time and is a third favorite way I love to see these. I want to

on another reader's letter that was in this Feb. '13 issue. K.B., via email, wrote in about your creampie fakeouts and I must agree with him wholeheartedly. I have noticed this for some time, but never wrote about it until I saw him do so. I can't believe you would do something like this,

> and it is extremely upsetting and disappointing. I must, however, give you the benefit of the doubt, but also ask that you never do it again.

Overall this was another good issue. It wasn't perfect, but Lara was a great choice and had me cumming big time. All the hardcore layouts were stellar. I give this issue an A- grade.-M.F., Camp Hill, Pennsylvania

Dear M.F.,

First of all, yes, Lara does XXX and you will see it soon. Secondly, you need not worry; Since the publication of K.B.'s letter we have stuck to our word and not published any creampie photos that did not have a creampie ending in the corresponding video.

Abby's Perky Tits

Dear Virgin Territory

I was thrilled to see Abby again. She is such a fresh-faced beauty with an amazing body and a deliciouslooking pussy and asshole. She sounds like she is a lot of fun and down-to-earth, too. It's so refreshing to find a girl who is more interested in a guy's sense of humor than the size of his wallet (although to be totally honest, I'm sure Abby wouldn't be opposed to dating someone with a sizeable bank account.) But as cool as she seems. I have to admit I would be way too intimidated to ever approach Abby, or any girl as attractive as her. But I have no problem jacking off to her pictures!

Abby really has it going on. Her tits are magnificent. I love how they stay perky and point straight up, even when she's bent over on all fours like in the photo on the bottom of page 25. Certainly no cow udders there! If I had sex with her, I think I would most like to cum on her tits. I know some guys are all about facials or creampies, but a pair of beautiful teen breasts like Abby's needs a warm coat of cum, so she knows how fully appreciated they are.

It would be awesome to see her in girl-girl or in a three-way with Diana, who is another tall, slender, exotic beauty. Seeing the contrast between a

sexy blonde and seductive brunette is always nice. I hope to see Abby again in your magazine. She is out of this world!-K.R., Burlington, Vermont

Dear K.R.,

You'll see Abby again soon in a very sexy pictorial!

Dick-Sucking Lexee

Dear Virgin Territory

I can't stop thinking about the spread you guys published on Lexee in the Feb. '13 issue! Every time I close my eyes, I can see those baby blues staring up at me the way she does in that main blow job picture. She's just super fucking hot. I keep imagining how amazing a blow job from her might be. Those dick-sucking lips are practically perfect, and with that round ass and those bouncy tits, I can barely contain myself. Holy shit, and that cum shot pic is ridiculous! Please bring more Lexee images to the magazine and I'll definitely keep buying them!-T.K., Austin, Texas

Dear T.K.,

We're glad you loved our sexy Lexee spread! Remember, you can totally watch her use those luscious DSLs over and over again in the DVD Glazed Teens (order it on page 9)!

Anal Dream Cum True

Dear Virgin Territory

After looking over the Feb. '13 issue of 18eighteen, Mandy is hands down (well, one hand down) my new favorite model. That girl is fucking smoking hot and she loves anal! Why can't more girls be like that? My girlfriend isn't a fan of anal so I get my asshole fix from magazines like yours. I love an innocent face and a perfect ass, and Mandy's definitely got both in spades. I don't think another girl from your magazine has ever made me this hard. Oh my god, and the way she talks about her anal orgasms makes me want to explode! In fact, I did explode-over and over again, thanks to Mandy. Her cum shot at the end is definitely the best one I've seen

iteen mailing label.

in a long time. I love the way the cum just coats her pretty mouth and dangles off her tongue. Plus you get to see her tongue ring, and I bet she can perform wonders with that thing! Please, please bring more anal-loving teens to your magazine! One more thing: the Locker Room Expose was awesome! It totally brought my teenage locker room fantasies to life.-N.P., New Orleans, Louisiana

Dear N.P.,

We're glad to provide you with the anal fixation you're craving! Guess what? There's more Mandy booty action going on in the DVD Glazed Teens (order it on 9) and in our 18eighteen.com! You'll definitely find plenty of videos and photos of our bubble butt Mandy for you to jerk off to. Enjoy and keep reading!

Riana's Return

Dear Virgin Territory

It was so good to see Riana again after such a long time. I had been wondering if she would ever be in your magazine again. I remember when she was on the cover of the Feb. '11 issue. She took my breath away with her beauty. And I think she looked even more beautiful in the Feb. '13 issue. Putting her in that outdoor setting was a good idea. I love seeing pretty girls nude in nature. I was also pleased to read that Riana is exploring her sexuality and

in her pussy, she is probably having

some great orgasms! Although I do find it very tantalizing when a model is a virgin, I know they cannot stay that way forever. I enjoy seeing models like Riana discover their sexuality in front of the camera. It would be interesting to see her in a hardcore layout, but I am also fine with only seeing her in solo pictorials. I'm just happy to see pretty, naked girls, whether they're having sex or not!

I would also like to take this moment to discuss something that has been on my mind. I don't know Continued on page 12

how feasible it is, but I would love to see a close-up photo of a model's virgin pussy. And then if you shoot her again, print a close-up of her recently deflowered pussy so we can compare the before and after. Bonus points if you are actually able to capture her cherry on-camera. Katie loves her new b-day panties!

It's teen cutie Katie's birthday and her latest fuck buddy just got her the perfect gift: a pair of soft, cotton panties to wear with all those slutty, little skirts she's always got on. Katie usually goes commando, but this time she's keeping her pussy under wraps.

She's soaking right through these things!

"I usually don't wear any underwear and it makes me feel really sexy, but I love how these white, little panties feel against my freshly waxed pussy! Every time I walk, I can feel the fabric rubbing up against my clit, and it's a total turnon. In fact, there's only one thing I like to have pressed up against my pussy more, and that's a hard cock, ready for the ride! I'm so excited to show my friend how horny I am over my new birthday present. He's about to get an awesome thank-you fuck!"

Lara loves to get licked!

Lara's been getting real with us lately about all of her favorite fantasies. Though she's not even 20 yet, she already knows what she likes. "I remember the first time I got my pussy licked. At first I was so tense, and then I realized how much better it felt to let go and let him lick away. This guy gave me the most incredible tongue lashing, and then he even licked my asshole a bit! My whole body shook like crazy and I came instantly. If I could get it my way, I'd want a guy to eat me out for hours. I want him to suck on my titties first, then lick his way down to my clit, and finally stick his tongue deep in my pussy and asshole."

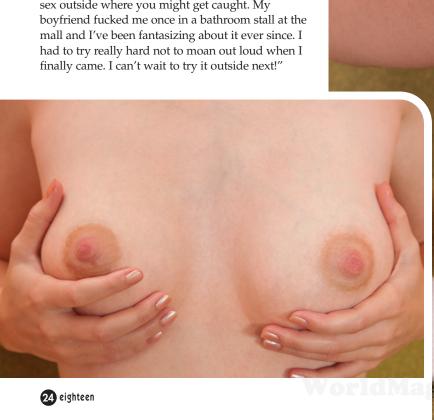

She's got a thing for fucking in the great outdoors!

"I think there's something really hot about having sex outside where you might get caught. My

She was stuck. In a town she didn't know, short on cash and time running out to get back home in time for the winter semester. She'd already skipped fall semester, against her parents' wishes. She had to get back. So when a sexy stranger going her way offered, what was there to do but sit on his lap and...

argaret shook her head, stared at the bills in her hand and recounted. Slower this time, to be sure she hadn't made a mistake.

"Thirty, thirty-five...thirty-eight..."

And some change. She didn't bother counting again. Five times was enough. Somewhere along the way, she'd miscalculated. Or lost a twenty or two. She tried to think of where it might have happened, but quickly gave up. That wasn't going to do her any good. She checked her phone. Down to one bar. She powered down and did it the old fashioned way, checking each ticket window, looking for an eastbound bus out of Wichita to get where she needed to be.

There wasn't much. The best option was the noon bus to St. Louis, but that didn't leave 'til morning, and she didn't have enough cash to cover it and make it through the next two days. She wouldn't get another deposit until Wednesday, and she still had to eat and figure out where she could stay. She could afford a ticket into Nebraska, but she needed to get back to Georgia. She could call her parents, but they'd probably just freak and try to get her on a plane. This was, after all, exactly what they'd warned her about, wasn't it? How her cross-country adventure would end—with her broke and stranded and desperate, stuck in some shelter or bus station, without a way to get home.

Ugh. No way. Not going there. Calling mom and dad was out.

But that didn't change anything. Did she really want to spend the next two nights at a Greyhound station in Wichita? She'd already checked Craigslist, looking for a travel partner, but that was a no-go. The car pool sites she'd used to get around when she couldn't go Greyhound didn't have any leads, either.

She crossed the street and slipped into a booth at a random diner and ordered hot chocolate. She had a couple bucks worth of change, that would at least cover something warm. She unfolded the bus schedule and began studying it. By the time her cocoa arrived, she'd exhausted her options. Things were not looking good.

She was waiting for her smart phone to charge when a stranger sat down across from her. Margaret was so stunned, she didn't know what to say. The man waved over the waitress.

"I'll take two of the breakfast sandwiches," he said, without so much as glancing at the menu. "Coffee, large, to-go, black."

The waitress jotted it down, smiled at Margaret, and disappeared. Margaret looked around. The diner was mostly empty. Plenty of seats. The stranger booted up his laptop nonchalantly.

"Uh, what do you think you're doing?" she asked. The waitress returned and set down the food. The man waved Margaret's question aside.

"East or West," he said.

"East or West what?"

"Which way are you going?"

Margaret didn't know if she should answer, but decided it wasn't worth lying. She was a terrible liar. Besides, she could just stay here until he left. Maybe he was just bored, looking for company. She certainly didn't have much to do, and, he wasn't bad looking, not by a long shot. She could think of far worse companions for breakfast. Well, for hot chocolate.

"East," she told him. "Why?"

"Good," he said, taking a bite of his sandwich and nudging the other plate toward her.

Margaret looked at it.

"Go on, eat up. No big deal. I need to get into East Missouri by morning. If you want a ride you can come along. If not?" he shrugged his shoulders. "You can always enjoy everything the Wichita bus depot has to offer."

He smirked at her. If he wasn't so damned cute, she'd have reached across the table and smacked him.

"Ride? With you?" she said doubt-fully. "Uh, what makes you think I'd do that?" She looked at the breakfast sandwich. Bacon, eggs and cheese on thick toast. It looked incredibly yummy.

"'Cause you're broke. No one spends all morning reading the bus schedule. Either you want to go some-

where and can't afford to, or you're waiting to meet up with somebody. A friend, maybe"

"Maybe that's what I'm doing," she tried. "Waiting for someone. Waiting for a friend."

He nudged the plate again, pointed.

"Come on, it's getting cold."

She gave up. He wasn't the first guy to buy her a meal during her cross-country trip. Still... She took a bite. Yup, it was yummy.

"You'd be looking out the window if you were waiting for someone," he went on, sitting back. "But you aren't. So..." he shrugged his shoulders again. "I took an educated guess, and it looks like I was right."

"I don't hitchhike," she said quickly. "I don't ride around with strangers." Which wasn't really true, of course. Sure, she knew the names of people from the car-pool site, but really, that was all. Just a screen name and an e-mail address.

"Fine," her good-looking breakfast savior said. "Suit yourself. But I can get you to the bus depot in St. Louis if you want, I have to go right through there. Or, if you need to keep going, whichever one comes next. Can't remember off the top of my head."

"You know all the country's bus stations?" she said, wising off. He laughed. He sure was cute when he laughed. She took notice of his smile.

"I traveled around for a year and a half when I got out of the army," he said, looking past her, as if remembering something particularly good about his time. "Been a long time, but...I know how it works."

The army, she thought. No wonder he was buff. She wondered how long he'd been out. He looked...thirty, maybe? A little older?

She pulled out her smart phone.

"Give me your driver's license," she said, and waited for him to hand it over. She took a picture, thumbed a quick text message to her friend Gina back home.

"Checking me out, huh?" he asked. She nodded. "Good idea. Wish I'd had one of those way-back-when. If I'm not on a Wanted poster, you'll definitely come with me?"

She wished he hadn't put it quite *that* way. Not while he was smiling

at her, anyway. She squirmed in her seat, but not because she was nervous. She couldn't help

it—she was getting horny. Good thing it made sense for her to look a bit uncomfortable by the situation.

She considered his offer. She needed the ride, and he didn't seem like a serial killer. Plus, if there was anything on him, Gina would dig it up. She was

She'll take a cock anywhere: in her mouth, twat or even her virgin butt!

"Ever since I started having sex, I haven't been able to get enough. I've already had plenty of dicks in my tight, little cunny, and I've been sucking cock even longer than that. The only thing I haven't done yet that I'd like to try is anal. I've fingered my asshole before, and I've used toys. At first it took a little getting used to, but it feels better every time I touch it. I keep imagining a big, delicious cock stretching out my little butthole, and it turns me on so much. I can't wait til I get the chance to finally try it out!"

What do you like most about fucking?

"This is probably a no-brainer but I'd have to say that cumming is my favorite thing about sex. I masturbate a lot and I can make myself cum at least seven or eight times. Cumming from sex is way more intense. When I've got a big cock filling me up, my body becomes way more sensitive and I cum a lot harder. That feeling of cumming on a dick is totally addictive. It's what keeps me cumming back for more!"

good at things like that. She made up her mind.

"Okay...But only if you check out."

He flashed that smile again, then got up to pay. While he was at the counter, Gina texted her back.

He'z clean & hot as fuck! Can U get him to drive U all the way here? I want a piece of that—& I know just where I want him 2 stick it!!! –G

"All set?" he asked, looking down at her, that tummy-tingling smile fixed on her. She wondered if she should make an excuse to use the bathroom, just so she could change her panties. At this rate, she'd be creaming her jeans before they'd crossed the city limits.

She stuffed the phone into her bag and zipped it shut. Before sliding out of the booth, she caught her reflection in the napkin dispenser.

Gee. What a surprise. She was blushing.

It was late, and dark, and Margaret hadn't seen another car for miles. She had, however, noticed Jeff shifting uncomfortably on his side of the big bench seat. She thought she knew why, too. She'd caught him, more than a few times, glancing over at her. Once, when she'd been sending a text to Gina—who was dying for a progress report—she thought she'd caught him checking out her sun freckles. It was tough to be

sure, but he'd definitely been looking at her cheeks. She'd been so busy shielding her screen–Gina was relentlessly sending her dirty sex tips–that she hadn't noticed he'd been looking at *her*, and not her phone.

not her phone.

With nothing but darkness on the road ahead, she asked Jeff if she could adjust the rear view. Jeff seemed puzzled by the request, but told her to go ahead. Margaret, whose pussy had been oozing for the past half hour, angled the mirror so she could see right into his crotch. He glanced at her, then followed her eyeline. Gulp.

"Didn't you say something about this car having heat in the back, too?" she prompted. Without waiting for an answer, she pulled off her sweatshirt and climbed over the seat into the back.

Jeff took a few seconds to react. When he readjusted the rear view, he was looking at a braless Margaret, who was now stroking her nipples. They jutted out, as hard as the ice capping snowbanks on either side of the road. Margaret sucked on her

index finger like she was giving it head, sloppy and slurpy—the gesture making Jeff's balls contract. Then, she started playing with her buds again, and he nearly fishtailed the car, braking suddenly and turning onto a deserted farm road.

A cold blast of wind blew into the car, making Margaret's nips flush from hot pink to cherry red. Jeff clambered in beside her, his pants already unzipped, his big cock tenting his briefs. They were so tight they looked like they were trying to strangle his dick.

The door slammed shut. The dome light stayed on. Jeff helped her wriggle out of her jeans and grabbed her panties at the hip, ripping them down her thighs. Margaret's tuft of fuzz was in plain sight. So was the outline of her sopping, pink snatch.

Jeff's fingers were warm and thick. They probed her slit, her lips squelching as he penetrated her, first with his middle finger, then adding his index finger for good measure. Margaret gasped as he worked his shorts down with his free hand, his man-thing swollen and casting its own long shadow. Margaret was reaching for it just before the dome light went out.

Margaret heard a sucking sound in the darkness. Jeff *hmmmned* contentedly as he lapped the twat juice off his digits. Then his hand was on her face, cupping her cheek as he bent in to kiss her. She could smell her cunt on his sticky fingers as he threw open her legs and the head of his cock pressed into her frothy trough.

Jeff had a smooth, slightly curved dick, and it snaked up into her gooey channel the way she expected a banana might. Only, Jeff was fatter around than the

average banana, and she could feel the blood pulsing through his veiny shaft as he plunged into her, stretching her almost beyond what she could handle.

The back seat was heated, but opening the door let in enough cold air for Margaret's breath to condense into fog. Her vag, superlubed and slippery with fuck-lather, grabbed hold of Jeff's pole and sucked it into her depths, his balls slapping

hard against her ass as he pumped her barely legal hole.

She wrapped her legs around him, locking her ankles behind his back.

Jeff increased his tempo, pounding down into her cleft, thrusting into her so hard she felt the springs. Her backside slid side to side as Jeff fucked her, a torrent of slit drippings mak-

She could smell her cunt on his sticky fingers as he threw open her legs and the head of his cock pressed into her frothy trough.

Ashley is an anal angel and ready to play!

"I've only had anal sex once and it was super intense! It was while I was on a cruise with a couple of girlfriends. I met this guy, total gentleman, who treated us for the last three nights. He was older, maybe in his 40s, but real hot. Anyway, we went back to his cabin on the last night and we wound up watching some porn he had. I got real horny so I started stroking his cock. Next thing I knew, he was licking my asshole and asking if he could put his cock in my ass. I just had to see what it was like!"

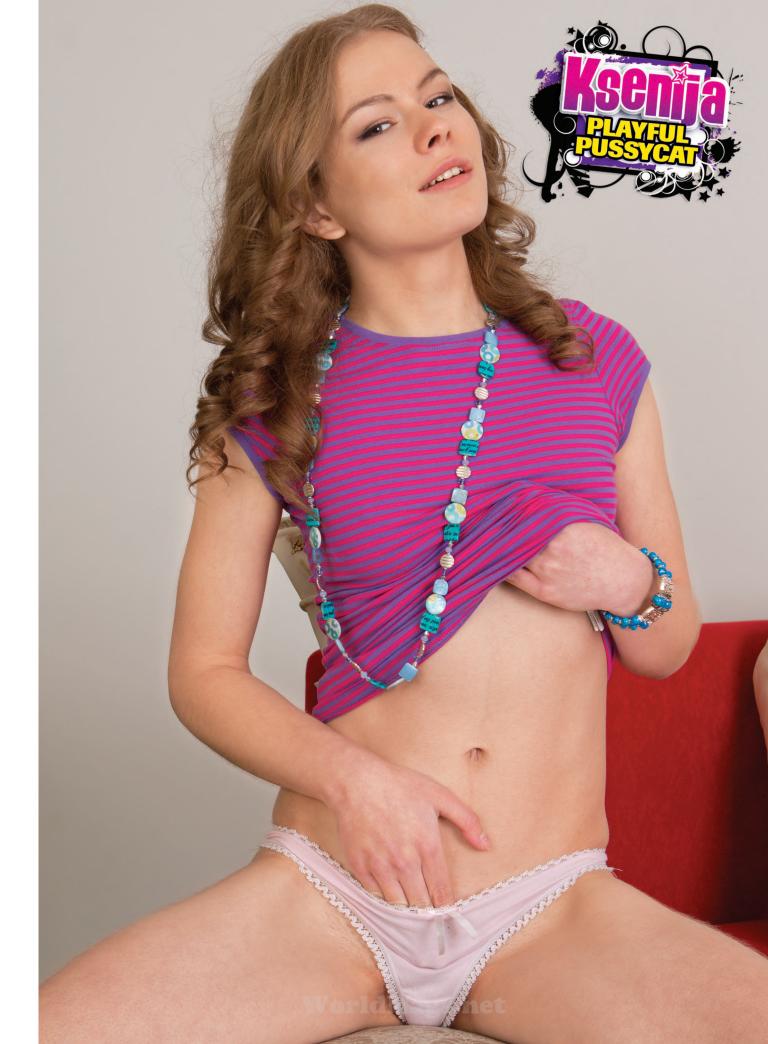

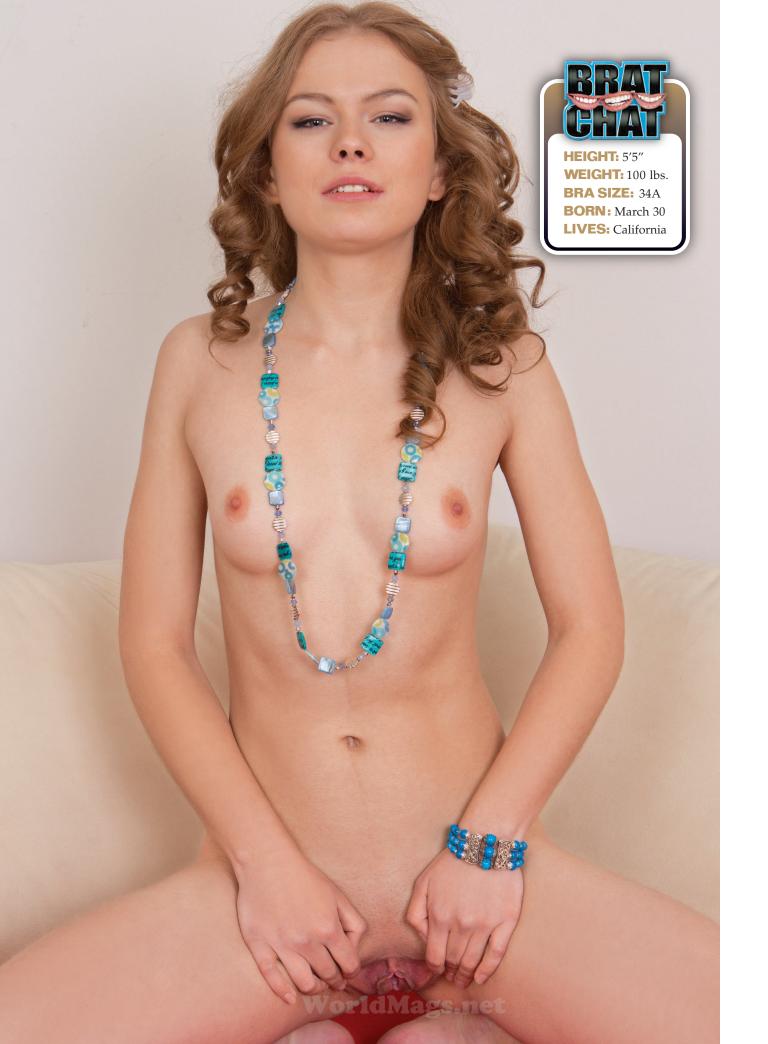

What really gets her wet...

"I love catching anyone checking me out-guys and girls. That's always been a big turn-on for me. I think everybody can be sexy in their own way. That's why I like to tease people as much as I can. Knowing they're getting hot makes me go wild. Listening to girls moan makes me really horny, too. It's so sensual and erotic to hear that panting and those seductive noises. Nothing gets me wetter than that!"

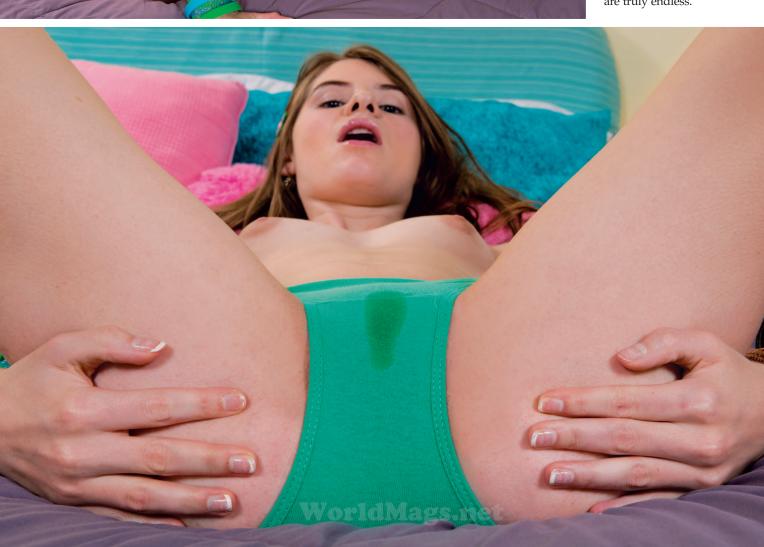

A fresh flower just waiting to be plucked!

And by plucked, we sure mean fucked! Alice is a wet dream come true. From that girlish smile to that gloriously tight pussy-there's no way you won't get instantly hard when you see this teen show off her goods. Picture your face between those heavenly thighs, tongue deep in that mouthwatering snatch. Maybe you'd rather suck those puffy nipples erect, or stick your stiffy deep in this angelic babe's brown eye? With Alice, the possibilities are truly endless.

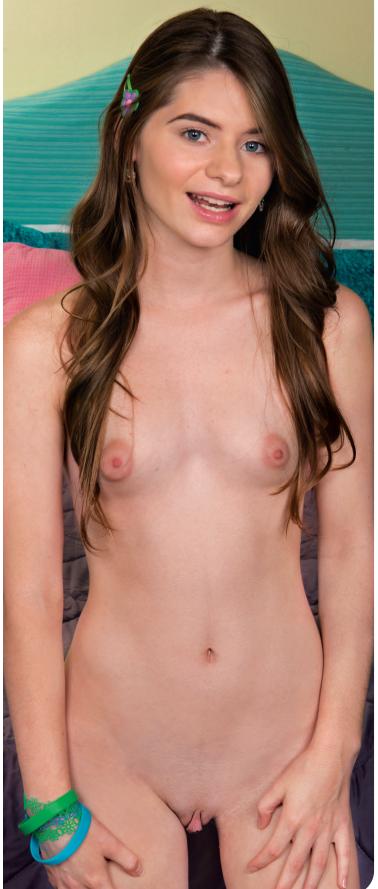

Guess what this frisky teen's favorite sexual position is...

"I've gotten to try a few positions so far, but right now my very favorite is doggie-style. Missionary is alright and I've done cowgirl, but even thinking about getting plowed on all fours really moistens my pussy. Guys tell me I've got a really sexy back and a fine, little ass so I know they're extra horny when they've got me from behind. It's always a sure thing that I'll cum doing it doggie-style. If any ladies haven't tried it yet, grab your guy, stick your ass up and get ready to scream into your pillows when you cum!"

ing the back seat as slick as an old backyard Slip-'N-Slide.

Who needed baby oil?

Jeff drove his cock into her, relentless as a locomotive, bottoming out every few thrusts. Just when she thought she was going to have to wave the white flag and surrender, he'd back off a little, and then take another run at her. Margaret's clit thrummed. She felt the first orgasm coming like a rollercoaster car just going over the first drop.

"Unh-unh-unh-unh-unh," she grunted. Her breath came short and fast. A gush of teen cream filled her twat. She clawed at his shirt, thrashing around, his chest pinning her down while he furiously continued to ramrod her.

She wanted it, too. Wanted it fast and dirty. Heard herself pleading for it-for him to fill her box with jizz.

But Jeff wasn't quite ready to bust his nut. In fact, he slowed down, making her beg for him to keep giving it to her. Hard, and fast.

And so deep. Oh hell yeah-really, really fucking deep...

Jeff ground his manhood into her, scouring her clit raw with his bristly short hairs. She was about to cum again, and both of them knew it. This time, she released her bearhug, falling away from another kiss and letting him spread her legs real wide, one over the back seat, the other straight over his shoulder.

"Ohhhhhh," she cried. "Just like that! Come on, fuck me more. Do it 'til I squirt! I'm...I'm so close..."

And then she was. Cunt sauce flooded her canal, washing over Jeff's piston like oil in a crankcase. Margaret beat her fists against the headrest, arching her back and thrusting her hips up to meet his downstrokes. She finished the orgasm with a whimper, nose clogged, the backseat so steamy it was claustrophobic. And still, Jeff stayed hard, his erection bordering on uncomfortable as it totally maxed-out the capacity of her still quivering tunnel.

Mags took a deep breath, felt the warm air from the vent swirling around her. She was drenched in sweat. Jeff was, too.

Hey Bella, do you spit or do you like to swallow?

"I love giving head, but it really depends on what's going on with that specific guy's jizz. Honestly, if it's thick, then I'd rather spit it out. I like to swallow it all up when it's runny and almost has no taste! I guess you can't really predict that, so I like to let guys cum in my mouth, and then I test it out. I've been lucky and gotten some really tasty loads down my throat. Can't wait for the next one!"

"H-h-hold on," she stuttered. "I need a sec."

Jeff gave her that smile again. It made her stomach do flip-flops. He was one sexy son of a bitch, and seeing him like that, grinning down at her like a lion toying with its prey, his prick half buried in her gash... It was enough to turn her bones to Jell-O. Jeff practically read her mind. He yanked a napkin from the console and wiped off her face.

"Put your boots on," he said, suddenly sporting a mischievous look on his face. "I got an idea."

Reluctantly, Margaret let him pull out, her cunny muscles feeling like boiled spaghetti. She jammed her feet into her boots and loosely laced them, waiting to see what Jeff had in mind.

"Brace yourself," he warned her, promising, "This is about to get a whole lot more interesting." Then, he threw open the back door.

The cold air rushed in, and Margaret's tender nips swelled so fast it took her by surprise. They tingled like they'd just been sucked by an eager, insistent mouth. Jeff took her hand and hauled her out of the car, ignoring her feeble protests. He guided her to the front hood, pausing on the way to throw on the headlights.

The car was parked on a small grassy turnout, crisp snow crunching beneath their feet. Margaret's entire body shivered, arms crossed over her underdeveloped, flat chest. Well, flat if you didn't count her nipples, which were about as big as marbles in the frigid outdoor air.

"Are you crazy!" she exclaimed. "It-it's freezing out here!"

Jeff only grinned, looking her up and down. Liking what he saw: Margaret lit up like she was on stage, bare-assed as the day she was born in the cold, Kansas night. The car idled quietly as they stood facing one another in the wash of the headlights. Both naked from the waist down, Margaret quite a bit more exposed.

"C'mere," Jeff said, taking her hand again. He placed it squarely on his bobbing wand. Margaret trembled, but couldn't tell if it was from the cold or from having her hand wrapped around Jeff's relentlessly magnificent cockmeat once again.

The engine had melted a patch of snow. It wasn't much, but if Margaret turned to the side, she thought she could probably drop down on her knees and take it from there. Because, that's what she thought Jeff was angling for-to finish in her mouth. Despite the cold, the idea appealed to her. The recklessness of going down on Jeff, sucking his dick right out here in the open, where anybody passing by could catch them? Doing it in a spotlight, clearly visible to anyone using the main road? And of course, getting a mouthful of hot jizz in the process? Swallowing his load while he fired off in her mouth, tasting like a cum-and-pussy popsicle? She was so turned on by the idea that she immediately started to lower herself onto the soft, wet earth.

But Jeff stopped her. He wasn't having any of that...

He spun her around, his cock poking her in the backside. He bent her over the hood, spreading her cheeks and tickling her asshole with his fingertip. Margaret purred at the sensation. She'd never had a guy do that to her before. Come to think of it, she'd never had a guy do all that much with her at all

Jeff entered her, his thumb poised on her puckered asshole like it was a remote control waiting to be flicked. Margaret groaned as he grabbed hold of her hips, filled her again, and took her doggie-style.

The hood was warm, the engine rumbling. It was like they were encased in a bubble of heat, despite it being below thirty. The vibration from the motor hummed into her clit, adding to the excitement of the openair fuck.

Her A-cups were squashed against the warm metal, Jeff drilling into her from behind, her juices flowing onto the front bumper. She rested her chin against the hood, staring out across the stark Kansas flatlands. She'd heard that Kansas was flatter than a pancake, and it was true. During the day, she'd been able to see for miles. Now, it was pitch black out and only the moon and headlights glowed. She wondered what was flatter: Kansas, a pancake, or her tits? She thanked her lucky stars that Jeff wasn't a boob man. If he was into girls with a figure,

Hey, Jade! How's it feel to be the new girl on the block?

"So far, I'm loving it! I'm going to school right now to become a highschool English teacher, but I thought this would be something fun I could do on the side. I've always been a really sexual girl. I hate wearing panties; I like hitting up the strip clubs now and again and I'm a bit of a freak in the sack. I love to rub my clit and cum every chance I get. One of my fans got me this really awesome wand so I've been using that a lot to get off. God, I'm getting horny just thinking about it!"

That sounds pretty hot! Can you tell us more about your kinkiest fuck session?

"Oh, god! It would have to be this party I had after my senior prom. Shit really went down that night! I'm not sure how it started, but eventually I found myself in my bed with four other couples! Some of them were just making out and grinding and stuff, but once I started stripping, all the other girls did too. It was like a web of flesh, arms and legs and tits and tongues everywhere. Hands down, world's best orgy."

Damn! Wait a minute, so you're into women also?

"Oh, yes. I love women, almost as much as I love men! They're just so soft, and their tongues...my god. I get wet just thinking about kissing them. I've been lucky enough to fuck a lot of women already, but one of the hottest times was in public. Get this—it was in a Victoria's Secret dressing room! I was already pretty horny from lingerie shopping for my date that night, and I happened to run into my friend who was just picking up a few bras. We wound up getting into the same stall to try on a few things. When I saw her free those beautiful tits, I knew I had to put them in my mouth. I made her scream like she never had before."

TAKE THE RIDE

Continued from page 76

who might he have offered a ride to back in Wichita? It certainly wouldn't have been her. Not if he was looking for a girl with curves...

The car ride, though, was nothing compared to the ride she was getting now. Every thrust nearly lifted her out of her loosely-tied boots. He was giving her canal such a workout she didn't think she was going to be conscious by the time he shot-if he ever got around to shooting at all. At the moment, her knees going weak with the arrival of another climax, she considered the fact that he might just fuck her until she passed out, and she'd miss his orgasm entirely. Which wasn't all bad, she had to admit, anxious as she was to feel him blow his wad.

Well, there was nothing else she could do about *his* getting off, she told herself. She was butt-naked and bent over, her 18-year-old pussy wrapped around his pole, working every inch of his shaft. If he could stand up to that for much longer, so be it. She wasn't in any hurry.

He felt it. It was the clenching of her ass cheeks that alerted him. She was right on the cusp of another cum, and he stared down at that fine, sweet, young ass of hers and timed it. Thrust. Twitch. Clench. Thrust. Twitch. Clench-clench... Twitch. Clench-clench...

Pop!

She'd just begun to get into it when he plugged her ass with his thumb, drawing a shriek from her as he plowed into her pussy. Margaret threw her head back, her sphincter locking down on his finger. Her spasms were involuntary, something she couldn't control. The fury of it, and the way her cunt pulled at his prick made it even better. Jeff got closer. Any minute now, and he wouldn't be able to hold back any longer.

Margaret's thrashing slowed. Jeff could feel her coming down, feel her riding out the last waves of her orgasm. Perspiration dotted her butt crack. Slowly, he eased his thumb out of her asshole. Margaret let out a little choked sob of pleasure, but it was cut off when Jeff replaced his thumb from the hole with his cock.

It was as if they'd gone back in time

ninety seconds. Without hesitation, Margaret orgasmed spontaneously. It was all the enticement Jeff needed. His balls began to empty, spurt after spurt of man milk surging through his dick and filling Margaret's incredibly sweet virgin ass.

She couldn't contain it, though. Cum dribbled out of her, spattering the bumper, hissing where it dripped onto the grill. Jeff kept pumping it out, emptying his nuts with a ferocity he hadn't experienced in a long, long time. He'd known something when he picked this one up at the bus station. Margaret was something special.

Eventually, he finished. Balls drained, he withdrew from her little slice of heaven and took a step back, letting her sag against the hood, exhausted and reeking of sex. He fetched her clothes, and some more napkins, and helped her get cleaned up so they could return to the comfort and warmth of the car.

They rode along for a while, quiet, Margaret's head resting on his shoulder. He broke the silence as they crossed into Missouri.

"You never did tell me where you're headed," he said.

"Georgia," she told him, feeling let down. It only reminded her that they'd be parting ways soon. Probably in St. Louis. Jeff scrolled through his cell phone. She could see he was consulting his calendar app.

"I have to be in Atlanta next Tuesday," he said. "When do you need to be..."

"Perfect!" she cut in, jumping at the chance. The semester wouldn't start until the following Monday. She ran her hand along the inside of his leg until she felt his bulge. She thought about Gina. How she'd asked if she could bring Jeff all the way back to Georgia so G could get a piece of him. She grinned wickedly, thinking of all of the possibilities.

"What?" Jeff asked, noticing her expression. "What is it?"

"Nothing," Margaret said, trying to hide her excitement. "Just...thinking of how nice it'll be to be home."

Jeff made a face. Clearly, he didn't believe her very much.

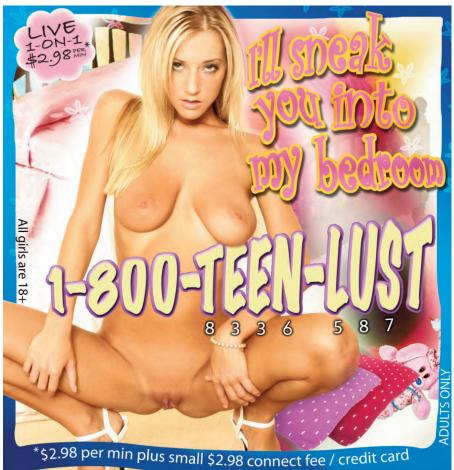

"So you're going to keep me in suspense this whole time? Well maybe I don't want to know," he said.

Margaret smiled. He'd change his mind once he met Gina.

VIRGIN TERRITORY

Continued from page 12

enjoy seeing head-to-toe photos of models. The picture of Diana's slit on page 33 was also lovely. She looks so tight and ripe for a licking and a fucking. And that shot of her ass in the air on page 35 sent me over the edge. I imagined fucking her from behind, then pulling out and spraying that glorious ass with all my cum. I should also say something about her beautiful face. I love the look she gives the camera in all her photos. It's so seductive. I think with just one lustful gaze at me she could make my cock rockhard. That is a rare talent, but Diana is just one of those kinds of girls who can pull something like that off. Thank you for this magnificent girl, and all the other beauties in your mag.-P.I., San Bernardino, California

Dear P.I..

Diana certainly is beautiful. She was also in the May '13 issue, if you would like to see another pictorial of her.

More Virgins, Please

Dear Virgin Territory

Oh, Diana, won't you cum for me? No, really, thank you 18eighteen for using this Russian babe for your Feb. '13 issue. Maybe next time you guys can have her masturbate a little? It was nice to see her waxed slit and asshole and those perky tits, but I'm dying for a picture of her fingers up in that little pussy. The plaid skirt was a great touch though. Also, the stuff you guys wrote about Viktoria and her virginity was super hot. That girl's going to make some lucky guy's night someday! I've never heard of such a virginal freak before, but I definitely want to read (and see) more! Do you guys have any more virgin models for me to watch? I'd love to get to know them all.–F.J., via email

Dear F.J.,

Diana's been a big hit, and we're happy she got you hard. As for the virgins, we've definitely had a couple cum through here before, although they're somewhat rare. Many of the models who are virgins don't stay that way for long. Ava from the Holiday '12 issue was a virgin, but that didn't last long! She fucked for us in the DVD Cotton Tail 2.

The Fully Tanned Package

Dear Virgin Territory

Tan lines, tan lines! I know some guys don't like them, but I think they're super fucking sexy. Especially on a girl as hot as Cara from your Feb. '13 issue! Girl is the petite nympho of my dreams. Super cute but she also sounds like she's got plenty going on upstairs-being a college girl and enjoying sports! Does she have a boyfriend? I bet she has a line of guys dying to get with her. The tan lines are such a wonderful touch because I can picture her in a tiny, little bathing suit coming out of the water, and then I can imagine her taking it all off for me. I wish I were the lucky guy that actually got to see that in person! Oh,

right?-J.L., Los Angeles, California

Dear J.L.,

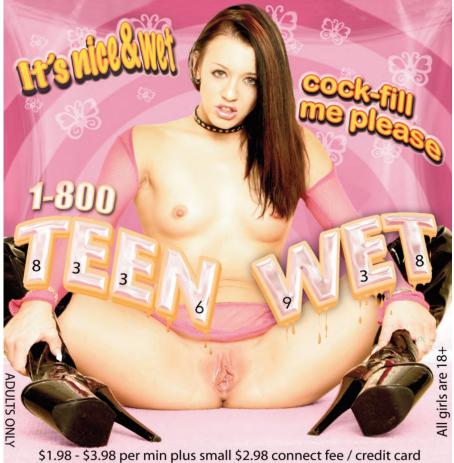

Cara really is the full package, and we're psyched you enjoyed those tan lines. We'll keep that in mind for the future. Anyway, we're sure you'll find a hot, little number like her yourself someday. For now, keep checking the magazine for more of her sets in issues to cum!

This bubbly blonde is no stranger to gobbling down a big dick...

Kennedy's got a great energy about her that she always brings to her photo sessions. She'll always shoot a playful grin before stripping down to her cotton panties (which we usually provide since she doesn't really wear any on the regular). The way she swallows down cock must be some kind of art form. Kennedy knows exactly how to pucker out her lips to give a high quality BJ.

Do you always keep that perfect body tanned, Kennedy?

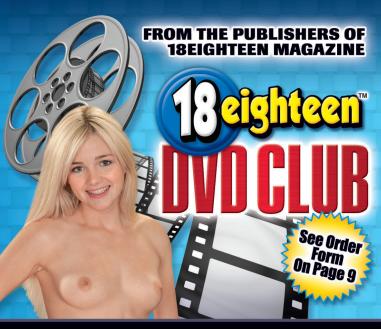

"I like being outdoors a lot, so I've almost always got some kind of tan going on. I love going for a swim, in the pool usually. Skinny dipping is one of my favorite things to do, but I don't get to do that half as much as I'd like. I like tanning myself whenever I can, but since it's not always very sunny where I live, I go to the tanning salon a lot. It's relaxing, and it helps me keep my naked body looking good!"
